

FINISH LINE

Thia-Cal™ / Quia-Cal®

Thia-Cal™ helps promote healthy nerves in your horse. No tryptophan, valerian, or kava kava are in this product. It will **NOT** test and will **NOT** make horses "dopey". Available in powder and liquid forms.

Quia-Cal® promotes healthy nerves in your horse and is offered in a rapid one-shot oral paste. It does not contain tryptophan.

Fluid Action® HA

QUALITY, VALUE and AMERICAN MADE with: 5000 mg/oz Pure Glucosamine; MSM and 1000 mg/oz Vitamin C and 25 mg/oz of HA. Available in powder and liquid forms.

Electrocharge™

Electrocharge™ helps promote healthy hydration in your horse. Formulated for rapid absorption, and in amounts that replace the electrolytes lost specifically in sweat. 2 fl. oz. (2 serving) oral syringe is great for 3-day Eventing, Racing, Endurance, Barrel Racing, or whenever your horse needs quick rehydration.

JC's X-Tie Up™

JC's X-Tie Up™ is a blend of B-Complex Vitamins that **promotes healthy muscle function** in the horse. The B-vitamins help muscles utilize energy more efficiently. With vitamins B1, B2, B6 and B12, also containing calcium pantothenate and niacin. Supplied in 1 fl. oz. multiserving oral syringes.

Total Control®

Total Control® supports your horse's joints, feet, coat, digestive system, blood counts and hydration with just 2 scoops a day. Concentrated, convenient and economical, **Total Control®** assures complete support of 6 vital systems in 1 product. "An ounce of prevention is worth a pound of cure". **Total Control® Plus** does all this and supports healthy capillaries, good for race horses and other severe training disciplines.

U-7™ Gastric Aid

U-7™ Gastric Aid is a palatable vitamin/herbal blend that helps promote a healthy digestive system in the horse. Available in powder and liquid forms.

Kool-Out™ Poultrice

Kool-Out™ Poultrice is an aid in the temporary relief of minor stiffness and soreness due to over-exertion. Kool-Out™ goes on easy, comes off easy and is mild enough for everyday use and on horses with sensitive skin. For use on legs and as a hoof packing.

Iron Power®

Iron Power® is used as an aid in preventing iron deficiency anemia. This liquid supplement supports healthy blood in your horse.

Original Premium Poultrice™

Original Premium Poultrice™ is a superior hoof packing for relief of minor soreness due to overexertion. Unbeatable poultrice with easy on-off application!

Apple-A-Day™

Apple-A-Day™ helps promote healthy hydration in your horse. This effective electrolyte and mineral replacement is concentrated. NO fillers or sugars saves you money and is better for your horse.

Air Power™

Air Power™ is an all-natural aid to relieve minor coughs due to irritation. Air Power™ does NOT test and is not a drug.

XBL™ Powder

XBL™ Powder helps promote a healthy circulatory system in the horse. Formulated for horses in racing and other strenuous disciplines.

90586	BIMEQU021	12 x each

IverCare Sure Grip Syringe

FARNAM

1.87% Ivermectin. The IverCare Sure-Grip syringe offers the most trusted dewormer with the most advanced deworming delivery technology, and ergonomic design features that set it

apart from other paste dewormers. The short plunger design fits comfortably, even in small hands, and enables easier dewormer application. An extended contoured Sure-Grip handle offers more precise control, while the non-slip thumb "saddle" makes syringe operation smoother. A variable, dial-a-dose setting mechanism offers accurate dosing every time. The syringe features a ribbed safety tip, designed to allow for safe easy access, without any overhang that could result in unintended removal.

96461	MER6001120	1 x display (20 packs)

Dewormers

Dewormers - Moxidectin

Quest Gel

PFIZER

Quest is the first totally new dewormer for horses in more than a decade. Its active ingredient, moxidectin, is distinctly different from the avermectins and

other common ivermectin products. It has proven to protect twice as long as ivermectin against egg reappearance, and it is the only dewormer effective against encysted small strongyles in a single dose. Because it's longer lasting, clear-gel Quest is administered only four times a year. It is safe for all breeds of horses and ponies at least 4 months of age or older.

ITEM #	MFG #	CASE/UNIT
72269	PFE2200	40 x ds

Quest Plus

PFIZER

Quest Plus Equine Oral Gel contains two active pharmaceutical ingredients, moxidectin and praziquantel. Moxidectin acts by interfering with chloride channel-

mediated neurotransmission in the parasite. This results in paralysis and elimination of the parasite.

ITEM #	MFG #	CASE/UNIT
118546	PFE2203	20 x ds

Dewormers - Oxibendazole

Anthelcide EQ

PFIZER

Active ingredient is Oxibendazole. Indicated for the removal and control of large strongyles, small strongyles, large round-

worms, pinworms, and their larval stages, and threadworms. Anthelcide EQ is compatible with carbon disulfide, which can be used concurrently for bot control. Each 24 gm tube will treat from 800 to 1,200 lb of body weight.

ITEM #	MFG #	CASE/UNIT
16093	PFE6045	12 x 24 gm

Dewormers - Pyrantel Pamoate

Equi-Mintic SPR

FIRST COMPANION

Pyrantel Pamoate Paste is indicated for the removal and control of mature infections of large

strongyles (*Strongylus vulgaris*, *S. edentatus*, *S. equines*); small strongyles; pinworms (*Oxyuris equi*); and large roundworms (*Parascaris equorum*) in horses and ponies. (Compare to Strongid Paste) Worms up to 1200 lbs.

ITEM #	MFG #	CASE/UNIT

MIRACLE CORP

Formulated for daily, on-going treatment of chronic, every day pain in horses. Designed for use on hard to "block" areas like hoofs, hocks, stifles, whorlbones and shoulders. The key to Equi-Block DT is to apply it to the exact area of lameness. Contains 0.025% capsaicin. Will not test positive.

ITEM #	MFG #	CASE/UNIT
15954	ELTDT1	12 x 16 oz

Equine Brace

MORINDA CARE

A topically applied product formulated to aid in relieving muscle soreness and associated swelling and edema. It is proven to help in a multitude of work or age related situations. Easily applied directly to the skin before, during, or after exercise or any time it is needed. It is rapidly absorbed and can be used alone or mixed with other topically applied products. Pleasant-smelling and soothing, it is readily accepted by any horse. It does not leave a sticky residue. Some areas where it is typically applied include the pasterns, cannon bones, knees, hocks, stifles, arms or other external problem areas. It can also be used as a hoof dressing applied directly to the coronary band and hoof wall. Is formulated specifically for horses, though it is safe for all animals. It helps reduce some of the discomfort caused by muscle inflammation and edema that is often seen in horses due to exercise or age. It helps support healthy joints and flexibility.

Sore No More The Sauce

EQUILIFE

The Sauce is Sore No More's horse liniment combined with Povidone Iodine for rain rot, scratches, skin fungus anywhere on the body and for thrush and abscesses of their feet. The Sauce is the first Herbal Sugardine Dressing on the market. The farriers have resurrected the old time

remedy; sugardine. Sugardine is an old time remedy of mixing iodine and sugar to form a paste that is then applied to open wounds, abscesses, or resected hooves to reduce inflammation, infection, and healing time. Simply add sugar to make a hoof packing for abscesses and thrush. This herbal dressing combined with sugar may be one the most effective sugardine combination yet. Use it straight as a topical anti-bacterial, anti-fungal paint to be used on scratches, hooves prone to thrush, infection, or traumatized areas.

Equi Aid Psyllium Pellets

FARNAM

Equi Aid psyllium pellets are comprised of 99% psyllium hydrophilic mucilloid which is a natural substance that comes from the husk of the psyllium seed. The psyllium husk has a soluble fiber content of over 80% compared to less than 15% for oat bran and 10% for wheat bran. They are combined with special flavoring to make the product more palatable for your horse. This makes it easier to feed and causes less waste than powdered products.

live, naturally occurring microorganisms. Administer entire tube as soon after birth as possible. Additional feedings as needed.

ITEM #	MFG #	CASE/UNIT
12750	STI00301F	12 x 30 ml

NOTES

PrePro Equine Health Supplement EQUILITE

A blend of direct fed microbials is important to support healthy digestive processes. Crucial to an animal's gut are the "friendly bacteria" for microbial balance. Probiotics (Fructooligosaccharides FOS) are added to this probiotic blend help increase the nutrients needed for specific

bacteria to survive. Digestive enzymes are used to help break down food for proper digestion and absorption. Wonderful to use before and after worming or antibiotic protocols. The bacteria components of Pre Probiotics are freeze dried and stabilized with moisture scavenging silicates so they do not need to be refrigerated. An average size horse uses 10 grams per day.

ITEM #	MFG #	CASE/UNIT
129368	NIN2PPBS0001E	8 x lb

Pro CMC W.F. YOUNG

Guards against equine distress and helps maintain a healthy stomach. Horses are susceptible to gastric upset when they are being fed a high grain, high fiber diet, or while undergoing the physical and emotional stress of training, shipping,

weaning or drug therapies. Protects by coating the lining of the horse's stomach and neutralizes damaging stomach acids. It's buffered formula soothes and coats while providing an essential source of calcium and magnesium. Is highly palatable with a delicious apple flavor.

Electrocharge

FINISH LINE

Electrocharge is a fast-acting oral electrolyte jug/recovery formula. One tube contains 2 doses of a heavily concentrated formula that replaces electrolytes in the same proportion as the horse loses sweat. Works rapidly to build up and restore electrolytes, salts and trace minerals that your horses lose from strenuous competition, worming or stress.

ITEM #	MFG #	CASE/UNIT
103098	FNL43002	9 x 60 cc

Electrolyte & Vitamin Jug

PRO FORMULA

A 60 cc dose rejuvenates your horse with the needed electrolytes, minerals, amino acids, and vitamins lost during exercise, heat and high humidity. Laboratory tested for purity and stability. Administer one full syringe directly onto back of horse's tongue.

ITEM #	MFG #	CASE/UNIT
90265	POFJUG60	12 x 60 cc

Electrolytes Elite

FARNAM

Exclusive formula works fast, restoring optimum amounts of electrolytes and trace minerals. Just add to horses' feed or drinking water after exertion. Available in a variety of flavors.

Lyte Now Paste

PRO FORMULA

Lyte now is the first paste syringe on the market to contain human-grade saline

ringers solution, with the correct mineral content for the stressed equine athlete. A 26 cc dose instantly provides twice the amount of minerals lost during one hour of sustained physical activity. Each syringe contains three 26 cc doses guaranteeing 7.2 gm each of sodium chloride, potassium chloride, magnesium chloride and calcium chloride per dose. It takes only 3 minutes for this electrolyte to be absorbed into a horse's system.

ITEM #	MFG #	CASE/UNIT
72390	POFLYTELP1	12 x 80 cc

OTC

FARNAM

Delivery equal to veterinarians 1,000 ml jug. OTC is an equal or higher paste form of a veterinarian's version of an electrolyte/

vitamin jug. Given before or after a race, or stressful event, OTC instantly reverses the loss of, or starts replacing vital body fluids.

HylarX

SELECT THE BEST

An oral supplement containing Hyaluronic acid (HA) (100 mg per 2 oz) for use in all horses. Hyaluronic acid is part of the make-up of synovial fluid and articular cartilage in joints and is responsible for the viscosity and elasticity of synovial fluid. HA is thought to increase lubrication of soft tissue in the joint and demonstrate anti-inflammatory effects in joint diseases. HylarX may be used as a safe alternative to injectable HA and in conjunction with other joint nutraceuticals.

Hoof Care - Topicals

Corona Hoof Dressing

CORONA / LEXOL

Corona hoof dressing offers the lanolin-rich formula of Corona Ointment in a form that stays soft and creamy-even when cold-to protect the hoof from drying out, cracking, or splitting. By preserving vital moisture balance, it

helps maintain strength in coronet, wall, frog, sole, and heels. Spreads easily-even in deep crevices- with brush, hand, sponge, or by pouring. Excellent for hoof packs and the treatment of quarter cracks.

ITEM #	MFG #	CASE/UNIT
36551	COR3316	6 x 32 oz

Epsom Salt

ANIMED

Ingredients: Magnesium 9.8%, Sulfur 12.9%. Dry material to be mixed with water for poultice for use on sprains, bruises, infections or abscesses.

ITEM #	MFG #	CASE/UNIT
108232	AMD90135	1 x 5 lb

Equi-Thrush

FIRST COMPANION

37.5% Copper Napthenate. Equi-Thrush is indicated in the treatment of thrush in horses and ponies. Offers water resistant protection without bandaging. Equi-Thrush is approved by the FDA as equivalent to the pioneer product "Kopertox".

ITEM #	MFG #	CASE/UNIT
96163	FCP0368	12 x pt

Foulex

Y-TEX

Foulex fights thrush by combining iodine, cresylic acid, camphor and isopropanol with a base of linseed, pine and petroleum oils. The resulting solution serves as a disinfectant and penetrant which moves the active ingredients through diseased tissue to destroy bacteria and stimulate circulation. It also promotes healing by resisting moisture. Foulex requires no bandaging.

ITEM #	MFG #	CASE/UNIT
32470	YTX0900080	12 x 8 oz

Hoof Conditioner Vita Hoof

FARNAM

Vita Hoof is guaranteed to improve the condition of the hoof and combat thrush. Apply to the sole and frog area first, then complete hoof wall, heel and coronary band.

ITEM #	MFG #	CASE/UNIT
10647	FAR015302	12 x 32 oz

Hoof Dressing

FIEBING

For corns, quarter cracks, split hoof, hard, dry, brittle, tender and contracted feet. Used regularly, once or twice a week and brushed well into the edge of the hair and frog, it aids in keeping the hoof in healthy condition. It also improves hoof appearance, imparting a semigloss finish.

ITEM #	MFG #	CASE/UNIT

Keratex Hoof Gel

KERATEX EQUINE HOOFCARE

Keratex Hoof Gel keeps hoof horn water tight in wet weather, stops cracking in dry. Not a damaging oil, but a powerful hydrophobic treatment that leaves the hoof glistening dry. While Keratex Hoof Hardener repairs damage to the hoof

horn's molecular structure caused by water and ammonia, Keratex Hoof Gel quite simply stops the damage from happening in the first place. Keratex Hoof Gel protects hooves from damage caused by manure, urine and excess water absorption. Keratex Hoof Gel allows the hoof to breathe. Air can pass freely through Keratex Hoof Gel in either direction and excess moisture can be expelled from the hoof. No water or typical chemicals can enter the hoof from the outside.

ITEM #	MFG #	CASE/UNIT
130589	KEHKHG1000	2 x (12 x lt)

Keratex Hoof Hardener

KERATEX EQUINE HOOFCARE

Keratex Hoof Hardener strengthens weak, worn and cracked hooves by improving the molecular structure of the horn itself. Equally effective in wet & dry conditions. Prevents the horn from taking in excess moisture, making it

resistant to softening and weakening in wet conditions. This results in a reduction in shoe loss and abscesses. Keratex Hoof Hardener is not an oil or resin layer and does not seal the hoof. Hoof Hardener will ensure the treated hoof is able to breathe naturally. Should also be applied to the sole of the hoof to prevent bruising.

ITEM #	MFG #	CASE/UNIT
130588	KEHKHH250	4 x (12 x 250 ml)

Keratex Hoof Putty

KERATEX EQUINE HOOFCARE

Seals and stabilizes hoof cavities caused by seedy toe, white line disease and other hoof conditions resulting in horn separation. Prevents grit and stones from entering the hoof. Can support tubes for flushing or draining cavities. A unique type of mal-

leable wax containing slow release organic disinfectants and antibacterials. Use to fill cavities left by conditions such as seedy toe and after the removal of abscesses from the sole. The broad spectrum organic disinfectants in Keratex Hoof Putty are effective in treating both fungal and bacterial problems.

ITEM #	MFG #	CASE/UNIT
110323	KEHKHP200	4 x (12 x 200 gm)

Keratex Mud Powder

KERATEX EQUINE HOOFCARE

Keratex Mud Shield Powder guards against the effects of mud and water on horses' legs and body. It will thoroughly disinfect the skin areas as well. Unlike creams and ointments which contribute to further softening of the skin, Keratex Mud and Shield Powder allows the skin to breath while repelling water and mud particles. During wet weather mud and water can cause serious problems which affect the skin on horses legs and body. Keratex Mud Shield Powder has a unique waterproofing action which simply stops these problems before they start by preventing water from softening the skin. It is this softening effect of continual water saturation which allows mud particles to enter the pores of the skin and cause irritation, which can then lead to further complications. In addition to waterproofing the hide, Keratex Mud Shield Powder also contains a powerful disinfectant to maintain the skin in a healthy condition.

ITEM #	MFG #	CASE/UNIT
110322	KEHKMSP450	2 x (12 x 450 gm)

Kopertox

PFIZER

Water-resistant protection without bandaging. Contains copper naphthenate. Clean hooves thoroughly of debris and necrotic material prior to applying. Apply with narrow paint brush until fully healed. Use in a well ventilated place.

7362	PFE2196	12 x 16 oz

Mollimentum Hoof Dressing

Y-TEX

Mollimentum is composed of high quality natural ingredients and does not contain grease – which blocks moisture penetration. It's blend of cottonseed oil, wood rosin, beeswax, paraffin and turpentine oil acts like a natural varnish, holding in moisture and keeping the hooves healthy. It remains pliable and resists cracking on the hoof.

ITEM #	MFG #	CASE/UNIT
32577	YTX0900020	12 x qt

Pine Tar

FARNAM

Farriers' and horsemen's choice for the treatment of hoof disorders. Pine tar's natural antiseptic properties help combat fungicidal and bacterial infections in the frog. A major ingredient in hoof dressing preparations.

Thrush Killer

CHARMAR

An effective thrush killer for horse's hooves that kills both gram positive and gram negative hoof bacteria and fungus. No drying of hoof wall. No burning sensation. No stained hands or clothes.

ITEM #	MFG #	CASE/UNIT
122015	CLC97008	6 x 8 oz

Thrush Magic

Thrush Magic offers a unique and effective way to combat Thrush and White

Line disease in your horse's hoof. Paste formula is non-soluble in water or urine and adheres to the hoof. Thrush Magic contains two anti-fungal, anti-bacterial agents which gently dries the affected area and clears the infection. The syringe applicator makes applying Thrush Magic easy and eliminates waste. Reaches sulci and cavities where infections occur and remains persistent. For use in the frog, under the shoe and under pads to treat and prevent infection.

ITEM #	MFG #	CASE/UNIT
89027	ANH10011	12 x 30 ml

Thrush Remedy

W.F. YOUNG

A medicated solution for the effective treatment of thrush. Kills the imbedded bacteria and fungi, which helps to eliminate the offensive odor and allows normal healing. Nonstaining, will not dry out hoof and does not sting or irritate. Saturate the infected area.

ITEM #	MFG #	CASE/UNIT
16577	YNG428455	12 x 12 oz

Thrush Treatment

STRAIGHT ARROW

A deep penetrating water based gel provides complete and effective treatment for the whole hoof. Kills the bacteria associated with thrush and other opportunistic bacteria and fungi. Is non-dry-ing, non-flammable, non-staining.

ITEM #	MFG #	CASE/UNIT
109421	STR544716	6 x 16 oz

Thrush XX

FARNAM

An aid in the treatment of thrush. A horse disease characterized by a thick, black, foul-smelling discharge. Clean hoof thoroughly and apply to the hoof using application spout. A narrow paint brush may be used to assure thorough coverage. Heat induction seal prevents leak-

ing, application spout included. Can be used with or without a bandage. Apply daily. Not for use on horses to be slaughtered for food. Active ingredient: copper naphthenate.

**“Have Shine, Will Travel”
with NEW 15 oz. ShowSheen® Finishing Mist**

**Continuous spray for
uniform and complete
coverage – even sprays
upside down.**

*The 15 oz. size is perfect for
shows and touch ups.*

Fresh scents of Jasmine and
Sandalwood pamper your horse.

**Your sales will
shine brighter, too.**

Here are a few glowing
comments about new and
improved ShowSheen® from our
extensive field testing:

“A healthy tail is really important,
not just the aesthetics, so I like
the new additions.”

– Mary, NY

“Instantly detangles the tail.
New ShowSheen® takes half
the effort getting the tail done.
The body was shiny for several
days.”

– Susan, GA

“Really brought out the color –
worked better to repel dust,
which is really important in
the show ring, especially on
hot days.”

– Ashelie, OH

Grooming - Equipment Grooma Brushes & Combs

Grooma Broadstroke Brush

MIRACLE CORP

This full-sized body brush offers a gentle massage and a fine finishing touch. The all rubber, supple brush flexes easily for soft, safe cleaning even ticklish horses love. The long-lasting bristles work great wet or dry, and the handle fits comfortably in any hand.

ITEM #	MFG #	CASE/UNIT
76375	WHT715	12 x each

Grooma Comb

MIRACLE CORP

The revolutionary design of this comb allows its 22 teeth to rotate and wobble so that tangled manes comb out faster and easier than with conventional combs. Plus, the round tooth-shafts and absence of sharp edges minimize hair breakage and help control the frizzies.

ITEM #	MFG #	CASE/UNIT
57896	WHT714	24 x each

Grooming

Grooma Groomer

MIRACLE CORP

Grooma Groomer is unique among animal grooming tools. No other tool can clean or shed-out a horse like the Grooma. While it is effectively lifting out dirt and dry skin other tools pass over, it's giving your horse a soothing, relaxing massage. The flexible rubber fingers do the work that other tools can't and no other tool is easier on your arm. It is designed to fit any size hand comfortably, without bothersome straps or handles. Grooma makes grooming easier for everyone, especially the youngster.

ITEM #	MFG #	CASE/UNIT
57897	WHT710	12 x each

Grooma Lil'

MIRACLE CORP

A smaller and lighter Grooma.

ITEM #	MFG #	CASE/UNIT
76373	WHT712	12 x each

Grooma ManeMaster

MIRACLE CORP

A revolutionary tool making mane grooming easy. Houses two precision-ground stainless steel cutting blades in a high-strength ABS plastic shell. The blades are activated only when you depress a trigger located in the handle.

Simply work the mane and when there is the same amount of hair in the comb that you would normally pull at one time, press the lever and the hair is snipped off. Overall thinness will be controlled by how close to the roots you clip.

ITEM #	MFG #	CASE/UNIT
76368	WHT501	12 x each

Grooma Rake

MIRACLE CORP

Quic Braid

EXHIBITOR LABS

Quic Braid is an easy-to-use spray that allows work to be done on small areas of a horse's mane. It's formulated to give the right "grip" every time for consistent braiding and banding results. It leaves no

oily or sticky residue. For braiding and banding, simply spray a section of either wet or dry mane, then band or braid normally. For extra hold, re-spray when finished. For training the mane, spray a section of the mane until wet, then brush flat toward the head. Continue until the entire mane lies neat and flat. Display contains: 6 - 16 oz containers.

ITEM #	MFG #	CASE/UNIT
35808	EXHQB16	12 x 16 oz
91440	EXHQB64	4 x 64 oz

Quic Screen Sunscreen

EXHIBITOR LABS

One application completely stops mane, tail and coat from fading for 8 days. Lab and clinical tests prove 100% protection when used as directed. It keeps hair smooth and shiny, not sun damaged and rough. It contains excellent moisturizers for maximum coat health. Designed to

protect hair only – not skin. Sunscreen must be applied to a dry, freshly bathed horse.

ITEM #	MFG #	CASE/UNIT
72041	EXHQSCR32	12 x 32 oz

Quic Shade

EXHIBITOR LABS

Quic Shade is the only accent highlighter with serious sunscreen protection – the equivalent of SPF 15. It's also a moisturizing highlighter cream for the muzzle, eye and ear area, and muscles – producing a super-shiny show ring gleam. By applying Quic Shade 30 minutes before taking your horse into the sun you can

protect its tender skin.

ITEM #	MFG #	CASE/UNIT

NOTES

Saddler's TLC

J.M. SADDLER

Protect and restore your valuable leather for years to come. The secret formula of eight generations of harness makers is finally available. The fast, one-step process both cleans leather and restores natural oils. Wipe on Saddler's – wipe it off – the job is done. Contains no petroleum by-products to crack and dry leather. Removes and prevents most stains, helps stop and prevent mold and mildew. Smells great – leaves no oily film.

McNasty Anti Chew Spray

EQYSS

A powerful nontoxic spray that's not just hot – it's nasty! Made with a combination of ingredients more powerful than anything on the market today, yet McNasty's anti-chewing spray will not irritate skin. It is very safe to use and will not burn the horse.

ITEM #	MFG #	CASE/UNIT
78491	EQY10450	12 x 32 oz

Miracle Collar

WEAVER

An effective and humane way to keep horses of any age, breed or discipline from cribbing. The patented design allows it to be worn at all times – even during riding – and will apply pressure only to the larynx when the horse begins to crib. The unique shape of the Miracle Collar ensures it will stay in the correct position and remain effective. It's russet harness leather is strong enough to stand up to daily use, but is gentle on the coat. Hardware is nickel plated. Sizes: small, medium and large.

ITEM #	MFG #	CASE/UNIT
34521	WEA301260	1 x each (Med)

Miracle Collar Fleece Cover

WEAVER

Washable maize fleece covers that provide extra cushioning and protection when slipped over the browband of the Miracle Collar or around the jowl pieces. Jowl covers are attached with self-gripping closures and are sold in pairs. For use with the medium and large Miracle Collar sizes.

ITEM #	MFG #	CASE/UNIT
71067	WEA35005	1 x each

No Chew

FARNAM

No Chew is a clear non-staining formula which controls cribbing and chewing. With its long lasting protection, it can be used on all wood surfaces – indoors or out. Nonflammable.

ITEM #	MFG #	CASE/UNIT
8260	FAR011802	12 x 32 oz

Quitt

FARNAM

A whole new way to stop chewing. Guaranteed results within 7 days. Highly palatable, just add to daily feed. Natural feed supplement. No more spraying, painting or costly repairs.

NOTES

Halter Nylon

HAMILTON

Hamilton Halter is a picture of strength and beauty that has been widely accepted by horse owners throughout America. Each halter is made of 100% nylon web, double sewn and triple thick. It's 100% nylon thread is sewn in a diamond tack design to give the halter form and rigidity for a superior fit. Five solid brass eyelets, three double welded rings, two custom stress point squares and one double bar head buckle are designed to sit much flatter on the horse's head and eliminate any contact irritation. Also comes with a solid brass tip.
